

20% DISCOUNT ON ORACLE TRAINING

Training = Reduced Risk, Lower Costs, Maximum ROI in Oracle Technologies

Special Training Offer

Customers in the process of renewing their Oracle Premier Support agreements are eligible for a special 20% discount on an Oracle University Learning Credit account.

Learning Credits can be used immediately to train staff on thousands of Oracle courses offered by Oracle University and enable you to:

- Pre-pay for training in bulk and deduct payments later when your staff registers for courses
- Forecast, manage and track training costs with Learning Credit statements
- Allocate training dollars by group, division, or individual
- Choose the training format that best meets your needs, including instructor-led or self study training, certification, custom or private training events and more

A 20% discount normally requires a minimum purchase of USD\$100,000+. Under this special offer, it's only USD\$1,000. To get started, go to

Better trained users = better return on investment in Oracle products

Studies show:

- Companies that invest more in training reduce critical severity calls by up to 49% and resolve service issues up to 78% faster. *
- Over 60% of managers surveyed by IDC indicated that the "skill of a team" is critical to the success of a technology function **
- High performing teams spend less time deploying and fixing solutions and more time maintaining and improving the systems they operate **
- Unscheduled network downtime was about 20% lower at organizations with more certified IT staff **
