Register for the Modern Oracle PartnerNetwork (OPN)

Note: You must have an active Oracle.com account to register.

Oracle PartnerNetwork

Modern Oracle Partner Network is Oracle's customer-focused, cloud-first partner program designed to accelerate partners' transition to cloud while driving a superior customer experience and business outcomes

Earn Expertise

Partners can grow their skills and succeed in building, implementing and/or selling Oracle products plus cloud services. Partners can also qualify to achieve Expertise.
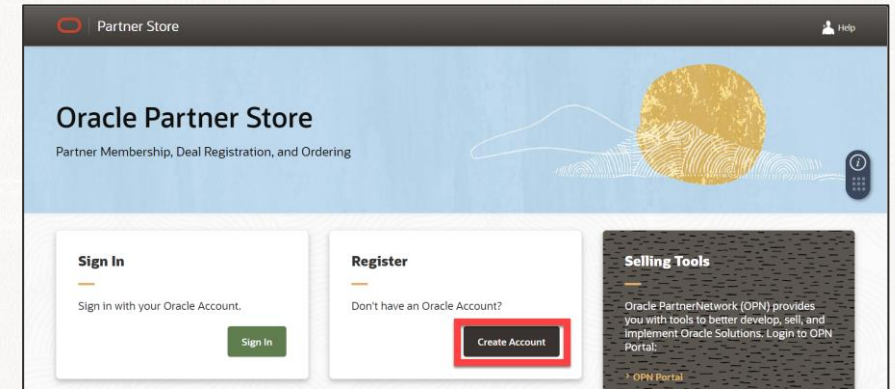

Expertise allows partners to demonstrate and showcase their skills around focused products and services and differentiate themselves as a cut above the competition.

Video: Why Achieve Expertise (1:51)

Get Certified

To achieve Expertise level, Partners must obtain Oracle certifications. To get credit for Expertise level, their practitioners (who have achieved certifications) must register for the Modern Oracle PartnerNetwork (OPN).

1. Navigate to the Oracle Partner Store: https://partnerstore.oracle.com.

2. Sign in. Enter your email address that was used to create your Oracle account.

3. Click **Create Account** to link your Oracle account with your company's OPN Membership.

4. Enter your Company ID for the country in which you are located. Refer to your company's OPN ID list and consult with your manager on which OPN ID to use. Click **Next**.

5. Accept the default role and the terms and conditions. Click **Register**.
