

View Course Objectives and Completed Oracle Certifications

You can view and download certifications from CertView

1. Go to <https://certview.oracle.com/>
2. Click **Login to CertView** and sign-in to your Oracle account.
3. Navigate to the menu and click the **Exam Results** drop-down arrow to view the sub-menu.

5. Click **Exam History**. View the Oracle Exam and Assessment Status page and navigate to the desired exam.
6. Navigate to Score Report and click **View**.

7. View the Examination Score Report which states course objectives.
 - To download or print the report, click the download or print icons (located on upper right-hand corner of the page).
8. To download your completion certification, navigate to the menu and click the **Credential Management** drop-down arrow to view the sub-menu.
9. Click **Share Credentials**. Navigate to the desired exam and click **Print**. Certificate of Recognition displays.
 - To download the report, click the download icon (located on upper right-hand corner of the Certificate of Recognition page).
