- Learning subscriptions contain learning paths and course content

6. View learning paths and courses associated with the selected learning subscription.

7. Click the learning path or course to view details.

Course Features

The screenshot shows the Oracle HCM Cloud Base Compensation course interface. The main content area displays the 'Learning Objectives' for the 'Course Overview'. Below the video player, the 'Video Playback Speed' is set to 1x. The video player also shows the current time as 0:22 / 8:01. To the right of the video, the 'Topics' section is visible, along with 'Translated Captions' and a target icon. The 'Playlist' tab is selected, showing a list of course modules: 'Course Overview' (5h 41m), 'Practice 1-1: Student Numbers and Sign-Ins' (2m), 'Compensation Overview' (11m), and 'HCM Employment Model' (5m). The 'Autoplay' switch is turned on. The top navigation bar includes links for 'Home', 'Courses', 'Live Sessions', 'Progress', 'Favorites' (with 1 item), 'Nikki', 'Playlist', 'Transcript', 'Lab', 'Student Guides', and 'About'. A red callout points to the 'Request Hands on Lab' button in the top right corner. Another red callout points to the 'Autoplay: Move to the next video automatically' switch in the playlist area. A red callout points to the 'Practice Sessions' section in the playlist. A red callout points to the 'Topics' section on the right. A red callout points to the 'Video' section above the video player. A red callout points to the 'Translated Captions' button.
