

OU Account and Enroll in Learning Paths / Courses

Navigate to <https://education.oracle.com/Infosys>

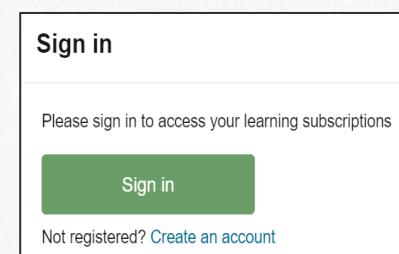

Note: You must have an active Oracle.com account to view learning content

If you have existing subscriptions, your subscriptions will automatically be transferred. You do not need to activate them. Navigate to <https://mylearn.oracle.com/home> to start learning.

If you do not have an existing subscription please reach out to **Yugank Bhagod (Yugank.Bhagod@infosys.com)** for activation.

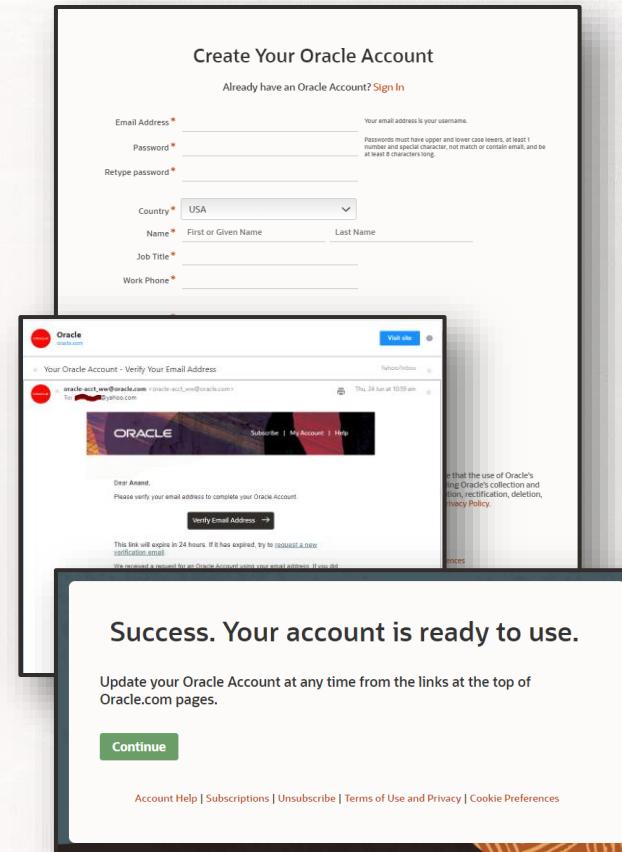

If you do not have an Oracle.com account, follow the registration steps.

Register for an Oracle.com Account

- 1. Click **Create an account**.**
- 2. Enter your details.**
 - Infosys recommends registering with your Infosys email address.
 - The Infosys email address links your Oracle account to Infosys (which helps with Expertise credit and learning reports).
- 3. Complete the registration form and click **Create Account**.**
- 4. You will receive an email confirmation; you must verify your email to activate your account.**

Update your Oracle Profile (with your Infosys Email Address)

Note: You must have an active Oracle.com account.

If you originally created your Oracle Profile using a non-Infosys email address, follow the steps below to update your Username/Email with your Infosys email address.

1. Navigate to
<https://profile.oracle.com/myprofile/account/secure/update-account.jspx>
2. Select **Edit** next to your current Username/Email
 - Infosys recommends registering with your Infosys email address.
 - The Infosys email address links your Oracle account to Infosys (which helps with Expertise credit and learning reports).
3. Enter your new email address (e.g Infosys email address) and click **Save**.
4. You will receive an email confirmation; you must verify your email to update your Oracle account.
5. Once verified, use your updated email address to login to your Oracle account.

Personalize your education

Find the training you want, fast.

MyLearn (<https://mylearn.oracle.com/home>) includes a personalized homepage, powerful search, and a comprehensive learning dashboard.

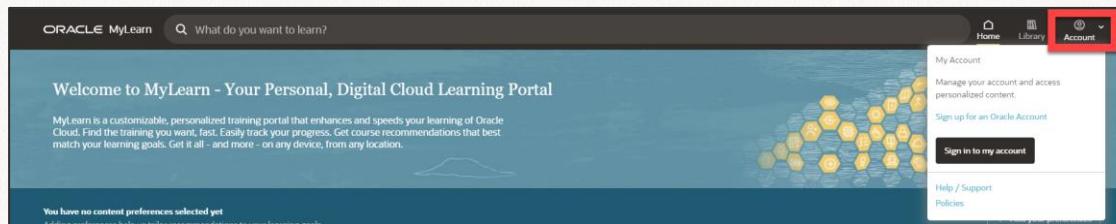

- Utilize **Search** to browse the full Oracle digital library (Learning Paths, Courses, Live Sessions)
- Use the **Library** to see available product areas
- Check your **Dashboard** to see your progress, history, and achievements
- Update your **Preferences** to customize your homepage
- View learning subscriptions in the **My Subscription** section; click on a subscription to view learning paths and courses

The screenshot shows the Oracle MyLearn homepage. At the top, there is a search bar with the placeholder "What do you want to learn?" and a "Library" button. The main content area is titled "Welcome, Nikki" and "Your personal digital learning portal". It features a banner with a hexagonal grid pattern and a button "+ Add your preferences". Below this, there is a "Continue Learning" section with tabs "In Progress" and "Favorites", and a "In Progress" section showing various Oracle products. The "My Subscriptions" section is highlighted with a red callout bubble that says "Click on a subscription to view learning paths and courses". This section lists various Oracle products like CX Commerce, CX Marketing, CX Sales, CX Service, EPM Enterprise Performance Management, ERP Financials, ERP ProjectManagement, HCM Human Capital Management, HCM Talent, and Hardware. At the bottom, there is a "Skill up on popular topics" section with a magnifying glass icon and a list of categories like SaaS, OCI, Others, and sub-topics such as Core HR, Benefits, Compensation, Inventory, Manufacturing, Supply Chain Planning, Warehouse Management, Eloqua, Responsys, Maxymiser, Infinity, Sales Force Automation, Incentive Compensation, B2B Service, Enterprise Data Management, Assets, Expenses, General Ledger, Project Execution Management, Recruiting Cloud, Goal and Performance Management, and Workforce Compensation.

View Learning Subscriptions and Learning Paths

Note: You must have an active Oracle.com account to view learning content

1. Go to <https://mylearn.oracle.com/home>
2. Click **Account**.
3. Click **Sign in to my account** if you have an Oracle.com profile already created.
 - Enter your email address that was used to create your Oracle account
 - If you do not have an Oracle.com account, click **Sign up for an Oracle Account** and follow the registration steps
 - Infosys recommends registering with your Infosys email address. The Infosys email address links your Oracle account to Infosys (which helps with Expertise credit and learning reports).

4. View MyLearn home page.
5. Navigate to the My Subscription section and click on a subscription to view details.
 - Learning subscriptions contain learning paths and course content
6. View learning paths and courses associated with the selected learning subscription.
7. Click the learning path or course to view details.
