Contents

- Activate Oracle University Account and Enroll in Learning Paths / Courses
- Enroll in Live Sessions (Webinars)
- Book Instant Labs
- Book Free Certification Exams
- Update your CertView Candidate Profile
- Register for Oracle PartnerNetwork (OPN)

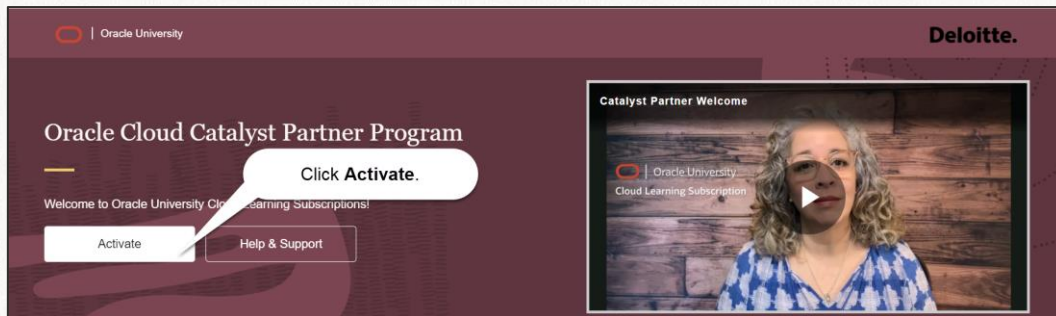

Activate OU Account and Enroll in Learning Paths / Courses

To activate your Oracle account, navigate to <https://education.oracle.com/deloitte>

Note: You must have an active Oracle.com account to view learning content

- If you have existing subscriptions, your subscriptions will automatically be transferred. You do not need to activate them. Navigate to <https://mylearn.oracle.com/home> to start learning.
 - If you do not have an existing subscription proceed to step 1.
- Go to <https://education.oracle.com/deloitte>.
 - Click **Activate**.

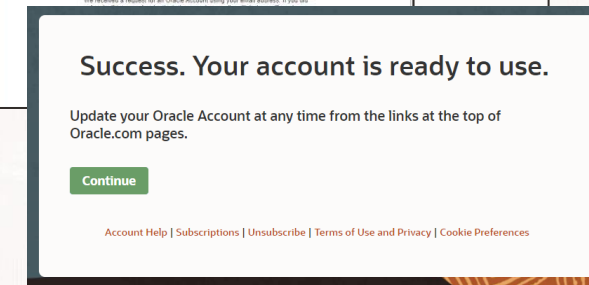

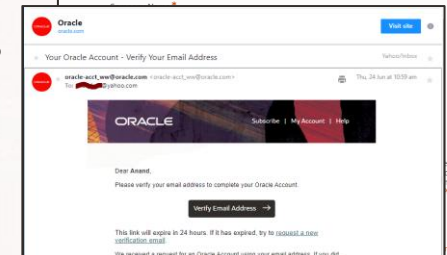

- Click **Sign in** if you have an Oracle.com profile already created.

If you do not have an Oracle.com account, follow the registration steps.

Register for an Oracle.com Account

- Click **Create an account**.
- Enter your details.
 - Deloitte recommends registering with your Deloitte email address.
 - The Deloitte email address links your Oracle account to Deloitte (which helps with Expertise credit and learning reports).
- Complete the registration form and click **Create Account**.
- You will receive an email confirmation; you must verify your email to activate your account.

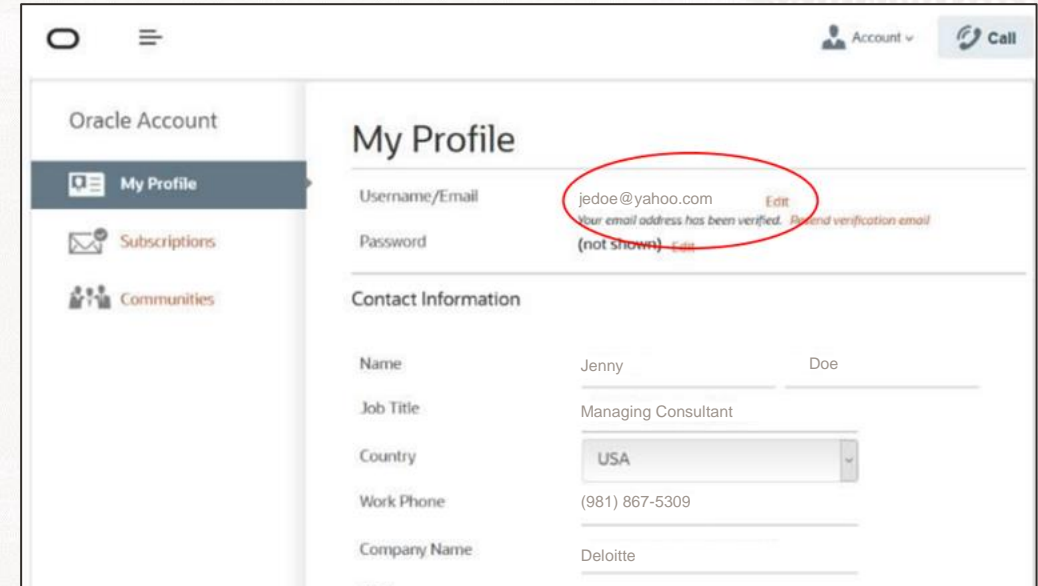

Update your Oracle Profile (with your Deloitte Email Address)

Note: You must have an active Oracle.com account.

If you originally created your Oracle Profile using a non-Deloitte email address, follow the steps below to update your Username/Email with your Deloitte email address.

1. Navigate to <https://profile.oracle.com/myprofile/account/secure/update-account.jspx>
2. Select **Edit** next to your current Username/Email
 - Deloitte recommends registering with your Deloitte email address.
 - The Deloitte email address links your Oracle account to Deloitte (which helps with Expertise credit and learning reports).
3. Enter your new email address (e.g Deloitte email address) and click **Save**.
4. You will receive an email confirmation; you must verify your email to update your Oracle account.
5. Once verified, use your updated email address to login to your Oracle account.

The screenshot displays the 'My Profile' page of an Oracle Account. On the left, a sidebar lists 'My Profile', 'Subscriptions', and 'Communities'. The main content area shows the 'Username/Email' field with the value 'jedoe@yahoo.com' and an 'Edit' link. Below this, a message indicates 'Your email address has been verified. Send verification email (not shown)'. The 'Contact Information' section includes fields for Name (Jenny Doe), Job Title (Managing Consultant), Country (USA), Work Phone ((981) 867-5309), and Company Name (Deloitte).
